Missionary Update

Brian & LaVonne Buhler are global workers serving in the Middle East. LaVonne grew up attending our church. They seek out and amplify the voices of the marginalized. With outstretched hands and humble hearts, their programs respect the local community while encouraging people to pursue the values of God's kingdom.
~Please pray for the *Solar Project*. They are finally making progress and have found excellent partners to help them. Pray that the final agreements and logistics can be completed by the end of June, so they can start installing solar power for those who have been without it for over three years. May this project be a blessing to the local churches and organizations participating and help transform and uplift the marginalized communities in the Middle East.
~Please pray for *LaVonne's mother*, who is rapidly deteriorating due to Parkinson's and dementia. Also, please pray for *her father* as he faces the daily challenges of caring for her.
~Please pray for *peace in the area they work.*
