

## PRAYERS OF THE PEOPLE 07.26.26

God of all creation...

We worship you, our God and King. Protect and strengthen your church in opposition to the peace and hope that are found in you alone.

Jesus, the bread of life...

Your daily invitation to join you at your table brings true nourishment for our lives. Holy Spirit, guide your church to pack light, store less and give generously in hospitality and love for neighbor and for one another.

God our protector...

Be present with those in our church family who are unable to gather this evening. For those facing anxiety, medical uncertainties, awaiting procedures and recovering from surgeries, Father, comfort, heal, and surround them with your presence.

Heavenly Father, protect neighbors, homes, farmlands, and wildlife across Central Oregon from the recent wildfires. Protect fire crews and first responders in their service.

For Mia Kackley, Father that she stays healthy and without side effects from her treatments. Father, sustain the Kackley's in your peace through their time away from home, and give them rest. For Esther and Sam Vossler, Father bless their marriage in joyful celebration as they begin their lives together.

Jesus, Prince of peace...

Bring your peace to the broken-hearted. Protect our neighbors who hunger for their next meal. Give your church eyes to see the needs of others with love and compassion.

God of all nations...

Mend the divides and be close to those in war-torn conflicts. Bring your peace and reconciliation within the suffering of those impacted by the abuse of broken leadership. Strengthen the work of peace-makers and replace fear with hope in your holy name.

Father, move our posture into a stillness to hear your voice.  
Lord we wait in your hope.

Amen.
