

PRAYERS OF THE PEOPLE 10.04.26

El Roi, the God who sees us, Jesus, the Man of Sorrows who knows our pain, and Comforter, the Spirit who comes alongside us in our suffering, hear our prayers today.

Pour out healing, Lord, for those among us who are experiencing ongoing physical problems.

Provide rest to the caregivers among us and bring others alongside to support them for a respite. For those whose souls are downcast due to loneliness or mental health challenges, Holy Spirit intercede and make your comfort known.

Father God, when we committed our lives to you, we handed them over to your ownership. When our souls are downcast from our sin, reveal your great care for us. Restore our hope.

We lift our fractured nation to You as ballots are mailed to us beginning Oct. 14. Renew our hope in you and give us a peaceful and orderly election.

Show us, Father, how to end the war that continues in the Middle East. Make us aware of the worldwide effect that our nation's decisions cause.

Lead us to your table and hear us as we pray daily for guidance to care for your creation.

Amen
