

First Impressions that Multiply: Creating Moments that Matter

OUR PURPOSE

We don't just greet people—we remove barriers so they can encounter Jesus.

Ministry Mission:

To set the stage for life transformation.

Key Truth:

We don't create transformation, but we create the environment where it can happen.

WHAT PEOPLE FEEL MATTERS

- Do they feel seen or ignored?
- Do they feel comfortable or awkward?
- Do they know what to do next—or feel lost?

We shape those moments every Sunday.

THE 3 MOMENTS THAT MATTER

1. The Parking Lot Moment

- First impressions start before the building
- Smile, make eye contact, be aware
- Be ready to help before being asked

2. The Front Door Moment

- Be warm and welcoming
- Go beyond “Good morning”
- Help people take a next step

3. The Connection Moment

- Move from greeting → engagement
- Ask: “Is this your first time?”
- Ask: “How can I help you today?”
- Walk people, don't just point

REMINDERS

- **Awareness > Perfection**
- **Intentionality > Personality**
- Small moments create lasting impact

THIS SUNDAY, I WILL...

- ☐ Make intentional eye contact
- ☐ Learn one new name
- ☐ Walk someone to their destination
- ☐ Look for someone who feels alone
- ☐ _____
