

## **HE'S HERE**

### **VERSE 1:**

He's with the broken hearted  
He's healing the lame  
He's opening the blind eyes  
He's the God who makes a way

### **CHORUS:**

Oh He's here He's in this place  
Oh He's here He's in our midst  
Emmanuel He's here with us  
Oh praise His name King Jesus

### **VERSE 2:**

He's working in the waiting  
He's silencing the storm  
Oh Jesus my redeemer  
You're all I'm longing for

### **CHORUS:**

Oh He's here He's in this place  
Oh He's here He's in our midst  
Emmanuel He's here with us  
Oh praise His name King Jesus

### **BRIDGE: (x2)**

He's a roaring fire  
Our hearts consumed  
We give Him glory  
The King of kings is in the room  
He's the living water  
We've been made new  
We give Him glory  
The King of kings is in the room
