

ALL POWER (C)

C Dm Am F

VERSE 1:

The only one who saves He rules the wind and waves
There's power in His name There's no one like our God
No one like our God

VERSE 2:

He came to take our place He rolled the stone away
He overcame the grave There's no one like our God
No one like our God

CHORUS:

All power, all dominion, all authority is yours
No weapon shall prosper when the victory is yours

VERSE 3:

He laid upon that tree Crucified to set us free
Oh death where is your sting There's no one like our God
No one like our God

BRIDGE:

I will no fear the fight I know you're by my side
And when i face the flame I'll call upon your name
And through the darkest night You lead me to the light
I trust you'll hold me safe You always make a way
