Keys to help with wavering faith:

1. Biblical community
2. Talk to God, then LISTEN
3. Spend time in God's Word

Questions to reflect on this week:

1. Are you prioritizing listening?
2. What is your response when the answer isn't what you think it should be?
3. Will you keep trusting God for deliverance even when help delays in coming?
4. Will you accept God's answer even when He indicates the worst is still to come?
