
Psalm 119: 113-176

Main Focus for Today:

Are you in “_____” with God or in “_____” with God?

3 Things that the author knew:

1)He was in love with _____.

2)He was in love with _____ _____.

3)He knew how to keep the love _____.

Homework—the Deeper Dig

*Underline, highlight or write down every request the author made of God.

*Next, in another color or group, record every reference he made to loving God’s Word.

*Lastly, write down every CHOICE he made to keep the love alive

There will be a ton!!! And then go back and spend some time speaking these truths back to the Lord as if you wrote them yourself ... allow a place to add your own requests, thoughts and praises in your journal to how you plan to fall in love and STAY IN LOVE for the rest of your days! You are loved, dear one!
