

August Bible Study Guide

Psalm 120 - Psalm 150

a note from
Debbie

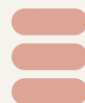

This Bible Study Guide was the LORD'S idea!

Seriously, as I was studying Psalm 119 the LORD clearly directed me to put together a guide to help women study the remaining Psalms (Psalm 120 -150). I was delighted when I realized it was 30 Psalms. The challenge is to do this in 30 days...1 Psalm a day. Use the space to record insights, action words, definitions, your personal application, and prayers.

These guides have been covered in prayer. It is our hope that it will be a great tool to help you hear the LORD'S voice and grow in your spiritual walk. We encourage you to share your insights online to benefit others. Don't forget to tag us!

I hope you will share this guide with a friend!
God bless you on this 30-day journey!
