

Event Descriptions

Women Serve

Throughout the year the women of New Heights set out to serve our community in some form or fashion. We have served in several capacities including the following: making meals for The CALL of NWA, serving dinner at For the Love food truck, collecting clothes for Beautiful Lives, packing hope bags for Hub of Hope, and more. Service is one of the foundational elements of our women's ministry.

Bible & Brunch

Our Bible & Brunch events include two main elements: great food and biblical conversations. We have themed brunch food and potluck to enjoy while fellowshiping with other women from the body. Then we have a speaker, panel, or group chat covering current issues/topics from a Biblical point of view. Some topics covered in the past include: Biblical Femininity, Life Stages Panel, Biblical Hospitality, Women's Discipleship, and a Q&A with our elders' wives.

Fellowship Events

- Galentine's - Our Galentine's Game Night has taken a couple of forms and typically occurs in February. In the past we have trivia competitions and roaring games of BUNCO. No matter the game, we incorporate snacks and times of fellowship to get to know each other.
- Summer Potlucks - These potlucks are unique in that they occur in the various homes of the women in our body. This event is a summer favorite and a great way to get to know other women in our church in a more intimate setting.
- Other Fellowship Events - We have several other events throughout the year that include, but are not limited to, the following: Ice Cream Social, Movie Night, Fire pit & S'mores, and a Christmas Party.

Retreats

Our women's ministry calendar includes at least one large group retreat each year, typically in the fall. We head to New Life Ranch to enjoy worship, fellowship and deeper time in the Word. The fall retreat lasts overnight a day and a half. In the past, we have also had a spring retreat that is usually held locally as a day long event to focus on Jesus, His Word, and His work in our lives.

Worship Night

The Women's Worship Nights are evenings of worship, prayer, and fellowship with the women in our body and the ladies they invite. We are blessed with an incredible women's worship team who are gifted in all things musical. These ladies use their talents to usher us into a place of communal worship and prayer. Worship night is a great chance to slow down and focus on the Lord through singing and guided prayers. We also have a prayer team available for anyone who has specific prayer needs.

Group Descriptions

Bible Studies

Through personal study, small group discussion, and large group teaching, our Bible studies provide an opportunity to study books of the Bible in community with other women. Whether you're a new believer or someone who has walked with Jesus for years, our women's studies are open to anyone at any stage in their faith. These studies typically meet throughout the year on Wednesday mornings and Thursday evenings, with Wednesday mornings offering childcare.

Discipleship Groups

The purpose of the Women's Discipleship Program is for spiritually mature women to share the gospel and their lives with other women in order to encourage and equip them to glorify God as they learn to think biblically and live covenantally through an understanding of biblical principles. To accomplish this purpose, we currently are meeting in small groups using a curriculum developed by our Women's Ministry team. We keep these discipleship groups small in number to promote deep relationships and vulnerability. Currently, the program is structured to meet for seven weeks during the summer. These groups and this program is growing and ever changing so keep an eye on our website, monthly emails, and social media outlets for updated information.

Common Interest Groups

The women in our body are diverse in age and stage with many hobbies and interests. The common interest groups are a way to support some of those activities and life stages. These groups communicate via a specific GroupMe channel facilitated by women in our body. Links to each GroupMe can be found on our website. Our current Common Interest Groups include the following:

- NHB Moms
- Women's Book Club
- The Ministry of Homemaking
- NHB Knitters & Crocheters
