UNDER CONTRUCTION

The ALT voted in its March 15th meeting to begin a remodeling project in the office hallway/suite to bring some much needed TLC to this area! This update has begun and includes new paint, flooring, an update of the restroom, and a relocation of our receptionist area, that will be more helpful for the receiving of guests who stop by each week. The cost of this project is estimated to be around \$50,000 and funding will come from designated building funds, but we would invite you to pray about contributing to the cost to help offset it's impact on this fund. Simply put "Building Fund" on your check or envelope if you'd like to contribute. Contact Pastor Kevin or the church office if you have any questions.

NEW APP AND WEBSITE

FBC is excited to announce that we have launched a new website and app! If you haven't already, you will need to download the *Church Center* app in your app store by scanning this QR code, create a login, and search for the First Baptist Church connection. This will give you access to all FBC information and resources.
