

Why We're Here and What We're Doing

Evaluate how your student is doing in the following areas to identify places of potential growth.

- Bible Reading (how many times do you see your student reading the bible)
- Prayer (how often does your student pray outside of meals and church)
- Worship (how often does your student worship outside of church)
- Evangelism (does your student talk about talking to others about Christ)

Evaluate how your family does in discussing the following topics

- Bible Reading (when was the last time you talked about the Bible)
- Prayer (what prayer needs does your family tell you they have)
- Worship (how regularly does your family engage in worship outside of church)
- Evangelism (when was the last time you talked to your student about telling someone about Christ)
