Family Discussion

God's Word is more than a book to read, it is how we learn who God is and how He wants us to live. When you make Scripture a regular part of your family's life, you learn to delight in God's truth and allow it to shape your hearts, choices, and relationship with Him. Read Psalm 1:1-3 together. Discuss one way your family can make reading God's Word a more regular and joyful part of your week.

Come and See

During all three services on 9/27, we'll offer a behind-the-scenes tour where you'll get to see our classrooms, hear the vision for why we do what we do, and learn what serving on the Creekside Kids team is really like. There's no pressure or commitment—just an open invitation to explore, ask questions, and discover how God might use you to make a lasting impact in the lives of kids and families.
