Family Discussion

As your family prepares for a new school year, take a few minutes to read Deuteronomy 6:6-7 together. What are some practical ways you all can keep God's truth at the center of your family this school year? What are some routines you can add in the car, at dinner, before bed, and throughout your week?

Come and See

During all three services on 8/30, we'll offer a behind-the-scenes tour where you'll get to see our classrooms, hear the vision for why we do what we do, and learn what serving on the Creekside Kids team is really like. There's no pressure or commitment—just an open invitation to explore, ask questions, and discover how God might use you to make a lasting impact in the lives of kids and families.
