Vision Leak

On the back of this newsletter is our vision statement. This is the overarching picture of what we are becoming, through Christ. In some sense it is obtainable, yet it is also something we can continue to strive for year after year. That is the point of the vision. It is a path, not a destination.

A key component of that vision is "...to be a church that is pursuing God". Does this phrase sound familiar? I hope so! It was our August challenge. "How are you pursuing God?" How did you do? What were some things you changed in your life to leave room for the pursuit of God?

The pursuit of God is an ongoing adventure, but it is more than information. "...many of us know God only by hearsay. He is what we hope that He is rather than what we know Him to be by spiritual encounter." -A.W. Tozer

This month's challenge is similar, but slightly more intentional. I am asking you to "Be WITH God." It is common to pursue God through an intellectual lens, but our intellect will not be sufficient to sit in His presence. Being with God will give us the spiritual encounter that will allow us to know Him in a more intimate way. This type of pursuit is what the church should seek to embrace. I pray you take this challenge to heart. Be WITH God, because He wants to be WITH you.

Each one is a chance to thank God for another year of life and to let our church family know how much they mean to us. Birthdays are a simple but special reminder that every person here is a blessing, and we enjoy celebrating together with joy and gratitude. Please help us recognize all our special September birthdays!
