

Vision Leak

Welcome to June. I'm happy to feel some warmer weather, and let's all praise God for the much needed rain! God is good!

June is a great month to get outside, get some vitamin D, and engage with the people of our community. Unfortunately, this is also the month where rainbow flags take to the streets. Corporations and municipalities bow to those that have hijacked this month as well as having corrupted the symbol of God's promise - the rainbow. So what should we do?

First, don't be surprised. This has been happening since the beginning. (see Romans 1:18-32, Genesis 19). Instead of being surprised, shocked, disgusted, I suggest we get prepared. We must start with the right mindset (1 Peter 1:13, 3:8) We must have the mind of Christ.

We must also understand that our fight is not against any person or alphabet organization. It is against spiritual forces. And to fight in the spirit we must rely on the Spirit. While spiritually lost and hurting people are attempting to find their identity in their pride, let us secure our identity in Christ. We can be the ones to take back the month of June with prayer. Pray for every person deceived by pride. Pray that the Spirit convicts them and that they come to know our Savior. Then pray for opportunities to boldly share the gospel this month.

While the world is being flagrantly prideful, let the church be boldly humble. Let us humble ourselves before the Lord, taking on the loving compassionate mind of Christ, and bringing the love of the gospel everywhere we go this month. The world may wave rainbow flags, but we hold fast to Jehovah-Nissi - the Lord is our Banner!"

June Birthdays

We love celebrating birthdays at our church! Each one is a chance to thank God for another year of life and to let our church family know how much they mean to us. Birthdays are a simple but special reminder that every person here is a blessing, and we enjoy celebrating together with joy and gratitude. Please help us recognize all our special **June** birthdays!
