Vision Leak

Happy Independence Day!

The great fathers of our nation declared their independence from tyranny 250 years ago. Each signer of that declaration committed treason when they signed the document and put their lives and all of their possessions on the line for the dream of becoming a nation ruled by its citizens.

I am in awe of the immense courage, patriotism, and passion each of these men must have possessed to do such a thing. Not just the signers, but those died for the liberty that I enjoy. Those sacrifices have had a 250 year impact on the world. The impact has been good and bad.

In my small corner of the world I can only be thankful. The life I have is not possible without this one nation under God. The church we worship and fellowship in does not exist without this one nation under God. However, in all the blessings we must also look at what has happened to us in 250 years and ask, are we still one nation under God? I pray we are, and I pray we can become one nation under God even more in the coming years.

As the body of Christ we carry a responsibility to make that happen. Not by complaining about leadership, or policies, or griping at news outlets. We will not make this nation more godly by condemning morals and lewd behavior. We make this nation more godly by sharing the heart of the Father in our community. By sharing the love of Jesus with our neighbors. By following Christ and treating those around us with the same love, dignity, and respect we have received from Christ.

As we head into the next era of this nation, let's focus less on being great Americans and more on being great disciples of Christ. If we are actually being Jesus' citizens then we will undoubtedly be amazing Americans! (no political party affiliation required)
