Challenge 1: Family Prayer Time. Set aside one evening this week to read a short passage, share prayer requests, and pray together. If you're single, invite a friend or fellow believer to do the same.

Challenge 2: Pray on the Go. Use a drive to school, dinner, or ice cream as an opportunity to pray together for your family and others.

Challenge 3: Bedtime Blessing. Before bed each night, thank God for one blessing, pray for one family member, and ask Him to guide your home.
