Lessons from the Early Church for Starting New Churches

Acts 13-14

Sermon Discussion Questions

Please take a few minutes after the service today to discuss together the following questions with whom you are gathered.

1. How does it impact you to send out some of our best for the sake of mission fidelity?
2. Who should initiate and lead any church planting endeavor? Do you believe that our current pursuit to plant a church has been initiated and is being led by the Holy Spirit? Why or why not?
3. What do we need to understand when God gives His people a vision? How do we rightly understand Godly vision?
4. What potential opposition do you foresee in planting a church? What opposition have you observed already? How are you responding to opposition? Are you taking the role of peacemaker or contributor of opposition?
5. What is Jesus asking of you in this process?
