Commands of Jesus:  
Beware of False Prophets  
Sermon Discussion Questions

Please take a few minutes after the service today to discuss together the following questions with whom you are gathered.

1. What does Jesus mean by “fruit,” and why is fruit a better test than appearance or charisma?
2. What are some examples of “good fruit” you’ve seen in healthy spiritual leaders?
3. What are subtle warning signs that a leader may be unhealthy or drifting into false teaching?
4. Why do you think false prophets can appear convincing or attractive?
5. How can we grow in discernment without becoming cynical or suspicious of everyone?
6. What practical steps can you take this week to stay rooted in God’s Word and anchored to the true Shepherd?
