Please take a few minutes after the service today to discuss together the following questions with whom you are gathered.

1. What does verses 10-14 tell you about how your Father in heaven feels about you?
2. What is the progression of confronting a fellow believer who is unrepentant of their sin?
3. Would you say that this is a consistently practiced protocol in the local church? Why or Why not?
4. What does ignoring a fellow believer's sin communicate about how you view/value that believer?
5. How does dismissing someone's sin affect the church?
6. Is there someone that you need to confront privately OR take another person with you?
7. What is one truth in all these truths that you are taking to heart to follow through?
