Sermon Discussion Questions

Please take a few minutes after the service today to discuss together the following questions with whom you are gathered.

1. How is our perspective of God shaped by the fact that He is continually talking to us? How does knowing that God *wants* you to know Him and the truth influence how you respond to Him?
2. In what ways does God speak to us today?
3. If God is always communicating, why do people struggle to hear Him?
4. Do you struggle to hear from God? Are there reasons that you can identify as to *why* this may be the case?
5. How might you become a better listener to God? To your spouse? To your peers?
6. What has God been saying to you recently?
