

ARE YOU READY TO JOIN US?

COMMIT FOR ONE SEMESTER
(Sep - Dec/Jan - Apr/May - Aug)

Jump in and be part of giving kids in our community a place to belong.

★ Perfect for youth!

Prayer Team

Commit to praying for our Children's Ministry regularly so that we stay focused on our Saviour.

Snack Team

Prepare snacks for Olympians, FunZone, and any other events that need them so that kids feel cared for at church.

Games Team

Plan and lead games each week at Olympians so that kids can build relationships while having loads of fun.

★ **Tech Team**

Help with any of the media elements for Sunday Mornings and events so that kids stay engaged with what they're learning. These include music, visuals, photography, check-ins, and more.

Family Night Crew

Set up and tear down tables and activities before and after monthly Family Nights so that families have a place to belong at Trailview.

Greeter

Stand near the check in station on Sunday mornings to welcome families, direct new families, and answer questions so that everyone feels welcome and has a place to belong for the morning.

★ **Assistant Greeter**

Welcome children as the lead greeter welcomes their parents so that they know they feel welcome in our family.

★ **Room Assistant**

Provide general support to the leader of the room, which may include helping with crafts, snacks, taking kids to the bathroom, and other similar jobs so that the leader can do their job better.

High Needs Buddy

Be available during the Sunday morning service to whichever classroom or small group needs an extra hand, or sit with a child who needs extra help so that everyone feels taken care of.

Behind the Scenes Team

Help with all the things that need to happen behind the scenes for our programs to run. Help plan events, decorate classrooms, prep supplies, manage digital materials, or schedule communication so that our ministries can run smoothly.

ARE YOU READY TO DIG DEEP?

COMMIT FOR ONE YEAR
(Sep - Aug)

These are the big ones...the roles where you get to be that extra voice, telling kids the same thing a healthy parent would. That's why we ask you to commit to spending a whole year being a part of their lives.

Nursery

Spend time with babies and their parents throughout the morning service.

Small Group Leader | Preschool

Spend time with a group of children, playing and engaging in the lessons. Lead a short large group lesson and a small group sharing time.

Small Group Leader | Elementary

Sit with your group during large group session. Lead your group through a prepared discussion and activity during the breakout session.

Small Group Leader | Kids Club

Participate with your group during large group session and games. Lead your group through saying their weekly verses and a small group discussion time.

Teacher | Elementary

Lead the large group session including activities and Bible lesson. Connect with parents during check out.

Teacher | Kids Club

Lead the large group session through their Bible lesson.
