

Instructions for a smooth check-in process.

- **Parents, please don't drop and run!** If there is something wrong with the waiver or meds, we don't want to have to call you back. If you plan on carpooling, please ensure that all kids without a parent present have filled out the GC General Waiver form.
- **Please arrive at least 30 min before bus** departure time.
- **Bring dinner + snacks** or come having eaten. Either way, we'll be up until at least 11pm, so we strongly encourage students to bring something to nibble on Friday evening. Leaders and cabins may also have some snacks available.
- **Please contain any loose items**, like pillows, blankets, sheets, and sleeping bags. If these items are not going on the bus with you, consider packing them in your luggage or a trash bag. LABEL EVERYTHING
- Have you **filled out our Grace Chapel General Waiver**? Go to grace.org/students and click on the waiver link. If you have not filled this out since September 2022, please make sure you fill it out before checking in.
- Do you have **medication**? If you are bringing medication, you should have gotten a separate email with instructions. You can also view them at grace.org/students. Please have all meds in their proper envelopes before you arrive. **DO NOT BRING BOTTLES.**
- Remember that while **phones** are permitted on the bus, we will be storing them for the weekend as students get off the bus. This will allow our students to be present with the people they're with and with what God is doing in and around them throughout the weekend.

Times:
