OTHER INFO

DROP OFF/PICK UP

GSM runs from 6:15PM to 8:00PM on Wednesday evenings. We typically have a leader's meeting at 6:00 so please drop your students off no earlier than 6:15. If students need to be picked up early, just let a leader know and we'll make sure that happens

COMMUNICATION:

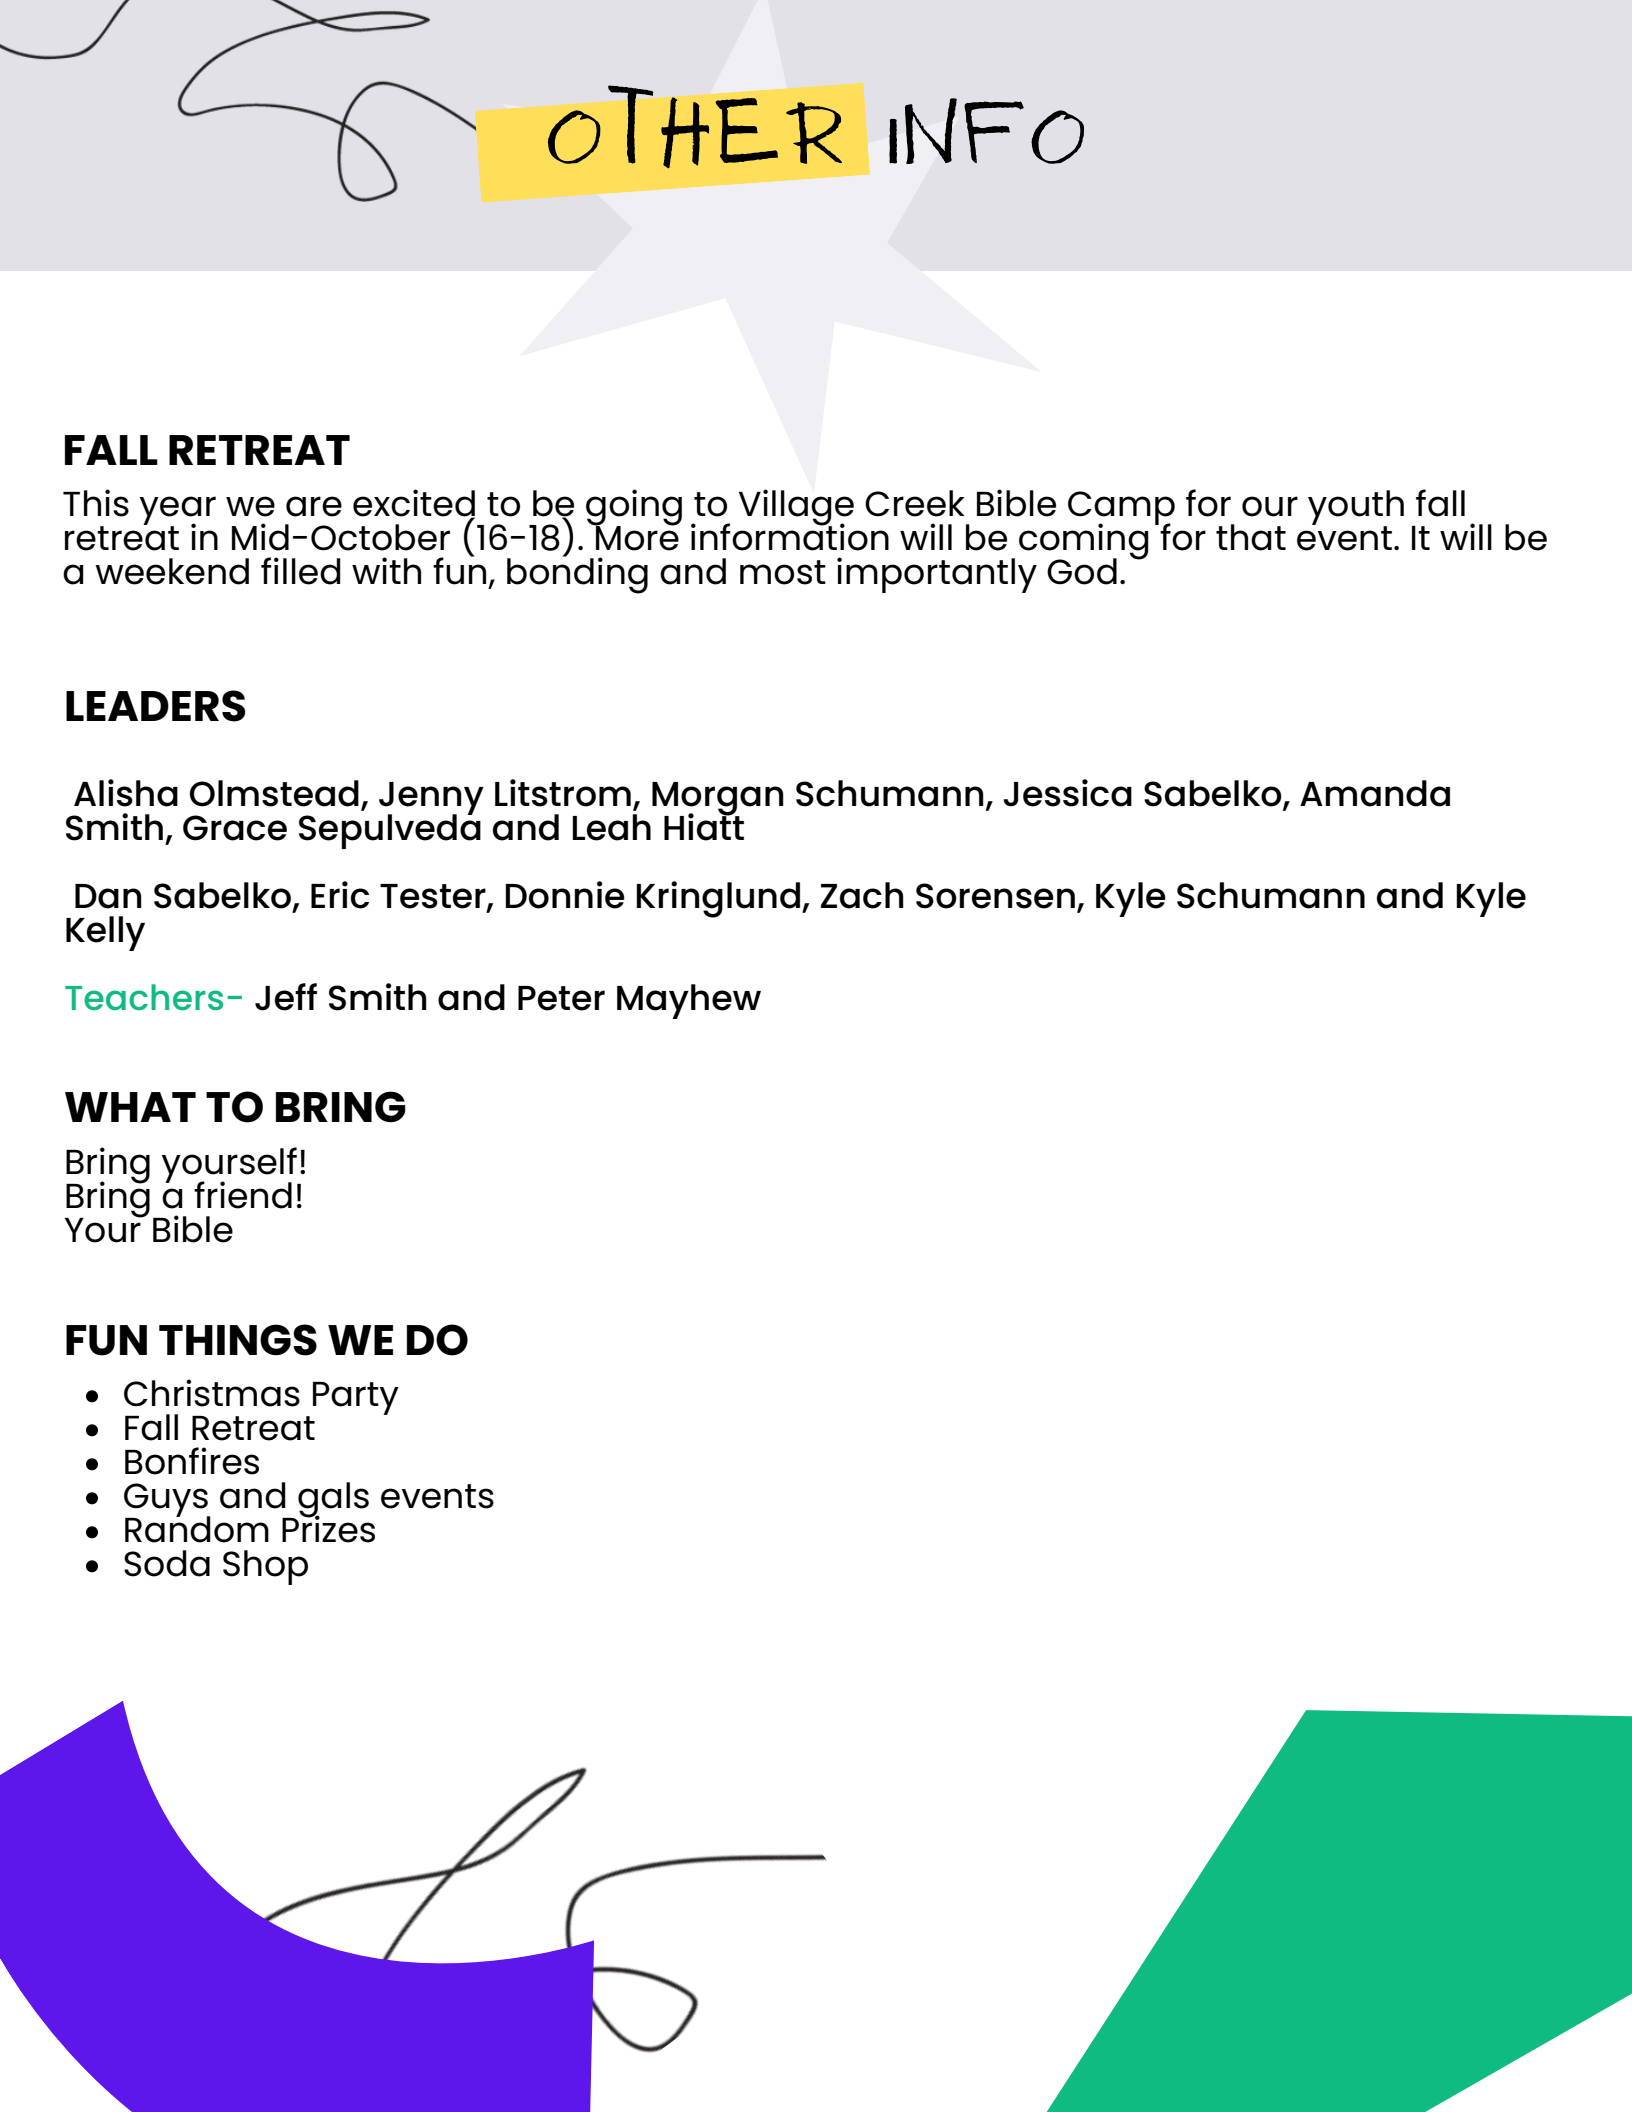

Our main form of communication will be through email. Each month, we will send an email to parents with important updates, reminders, upcoming events, and other information to help keep everyone informed.

Please make sure we have your most up-to-date contact information so you don't miss any important communications.

All upcoming events and activities will also be posted on our website: <https://gtwy.live/gsm>. Be sure to check the website regularly to stay up to date on everything happening throughout the year!

MISSION TRIPS

We believe missions are an important part of helping students grow in their faith and learn what it means to follow Jesus beyond the walls of the church. Through local service projects and mission trips, students have opportunities to serve others, build compassion, share the love of Christ, and see how God is at work in different communities.
