Weekday Preschool Ministry

We were able to reopen our doors and welcome children back on June 1 after being closed due to the COVID shutdown. During this time we have done extra cleaning and are thankful that our children and teachers have stayed healthy.

We will begin our new school year on August 17. We will have 54 children representing 50 families. As our new school year begins we would ask that you continue to pray for the health and safety of both our children and teachers. Some of these families are unchurched. Please pray that we will be able to reach them for Christ and hopefully bring them into our church family.

Lastly, please pray for how you might get involved in this ministry of our church. Currently we can't have volunteers, but once COVID is no longer a threat we need volunteers to read to our children, rock babies, perform cleaning or small maintenance tasks. Until then please consider praying for our staff and children daily, write notes of encouragement for our teachers and participate in our upcoming supply drive.

I love and appreciate my church family.
