FOR OUR

CITY WORLD CHURCH

Kingdom Builders is Faith Church's strategic initiative that is focused on reaching our city and world through outreach, evangelism, and planting new churches. We believe that as followers of Jesus, we are called to actively participate in the Great Commission by impacting lives, communities, and nations—building the Kingdom of God in every sphere of society.

This initiative isn't just about giving financially; it's about linking arms as a church family to see the Gospel spread farther than ever before. Kingdom Builders supports three main areas:

Global Missions – Partnering with missionaries and organizations around the world to share the hope of Jesus, provide resources, and bring practical aid to those in need.

Local Outreach – Meeting the needs of people right here in our city through food drives, community service, outreach events, and ministries that bring healing and hope.

Future Church Expansion – Planting and strengthening churches so that more people can experience life in Christ and find a spiritual home.

When you give, pray, and serve through Kingdom Builders, you are investing in eternity. Every story of transformation—whether it's a family restored, a child fed, or a soul saved—becomes part of your story too.

We invite you to pray about how God would have you be involved. Together, we can see lives changed, communities restored, and nations reached with the love of Christ. This is more than an initiative—it's a movement and we want you to be part of it!

Dear Faith Family,

We continue to be amazed at how God has used your generosity through Kingdom Builders to make an eternal impact in our city and across the world. Because of your faithfulness, our nine campuses are feeding more people, partnering with more schools, and engaging in more community outreaches than ever before. Globally, we have continued to support 140 missionary partners in 60 countries, built four churches overseas, hosted a medical clinic in Ecuador, and sent both our Junior High and Senior High students on mission trips.

As we look to the Great Commission and the enormity of the unfinished task, we are reminded that there is still much to do. In 2026, we will continue to Love Our City through every campus. Already, seven mission trips, including youth, construction, and medical, are scheduled for next year.

God is also blessing our campuses with health and growth. As a result, over the next five years, we will need to build new sanctuaries in Ridgeville and Santee. In Moncks Corner, all engineering and architectural plans for expansion are complete, and we are awaiting final permits from Berkeley County. We anticipate breaking ground soon. Because design and permitting take time, we will

also begin that process next year for Ridgeville. In addition, we are excited to announce the launch of our 10th campus in St. George in 2026.

Everything we have accomplished has only been through the goodness of God and the faithful generosity of His people. The year ahead presents a larger financial challenge than ever before, but we serve a big God who is more than able to provide. We ask you to prayerfully consider your Kingdom Builders commitment for 2026.

We need everyone involved!

Together in His Harvest,

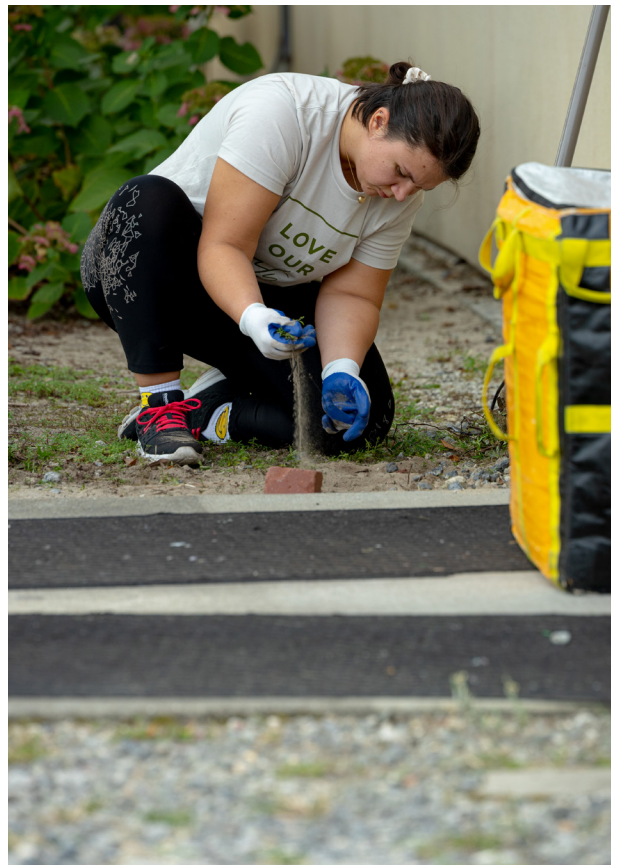

Pastor Larry & Jeanne Burgbacher

Faith Moncks Corner and Revive Charleston serve our community through a food bank that offers hope and support to individuals and families in need. More than just groceries, this outreach is about sharing the love of Jesus in a practical way—meeting both physical and spiritual needs. Each bag represents a reminder that no one has to walk alone, and that a church family is ready to stand with them. Through this ministry, lives are being touched, hearts encouraged, and our community strengthened.

Serving our city is about stepping outside the walls of Faith Church to meet people right where they are. From helping local schools and neighborhoods to partnering with ministries and meeting practical needs, we have the opportunity to be the hands and feet of Jesus—showing His love through acts of kindness, generosity, and service.

Local Missions

Our local impact strategy focuses on partnering with organizations and leaders right here in our community to bring the hope of Jesus to every corner of our city. Through these partnerships, we are able to meet practical needs, strengthen families, and invest in the next generation so that the love of Christ is experienced in real and tangible ways.

Because of your generosity and willingness to serve, we have the opportunity to come alongside foster and orphan care ministries, support local schools, mentor and disciple the next generation, encourage single mothers and the elderly, and provide relief in times of disaster. From food drives and clothing distributions to mentoring programs and crisis response, Kingdom Builders is helping to meet the needs of people right where they are.

However, our impact doesn't stop there. Local Missions also means equipping our church family to be the hands and feet of Jesus in their everyday lives—at work, at school, in their neighborhoods, and with their families. Every act of service, every word of encouragement, and every investment of time or resources is another way we get to lift our city up and shine God's light into dark places.

Together, we are breaking down barriers, meeting needs, and creating opportunities for people to encounter the goodness of God. This is how we love our city—and we believe the best is still ahead!

WE LOVE OUR CITY!

World Missions

Everyone, in every nation, deserves the chance to hear the Gospel. That conviction is at the very heart of who we are as a church. At Faith Church, we believe the Great Commission calls us not only to reach our own city but also to carry the message of Jesus to the nations of the world.

Through Kingdom Builders, we partner with dozens of missionary families who have dedicated their lives to spreading the Good News. Every year, because of your generosity, we are able to give hundreds of thousands of dollars to missions, providing the support and resources needed to reach people in places we may never step foot ourselves.

Your giving also helps launch strategic projects across the globe—from vehicles and humanitarian aid to church planting and leadership development. These investments open doors for the Gospel and ensure that communities not only hear about Jesus but also experience His love in real and practical ways.

In addition, we regularly send out Global Missions Teams who serve alongside our missionaries, bringing the hope of Jesus to new cultures and communities. Each trip impacts lives overseas while also transforming the hearts of those who go.

When you give and pray through Kingdom Builders, you are sending hope to the nations. Your generosity is changing lives, building churches, and advancing the Kingdom of God around the globe. We are deeply thankful for your continued support—and we believe the best days of missions are still ahead!

WE LOVE OUR WORLD!

Because of your generosity, youth are being called to the mission field! Over the years, these students have gone into ministry, used their entrepreneurial gifts to raise money for missionaries and Kingdom Builders and simply lived a life of openness to the leading of the Spirit every day. It is our joy to invest in the next generation that God is raising up!

THE UNREACHED

More than **7,000 people groups** in the world are considered unreached

Over **3 billion people** live among the Unreached

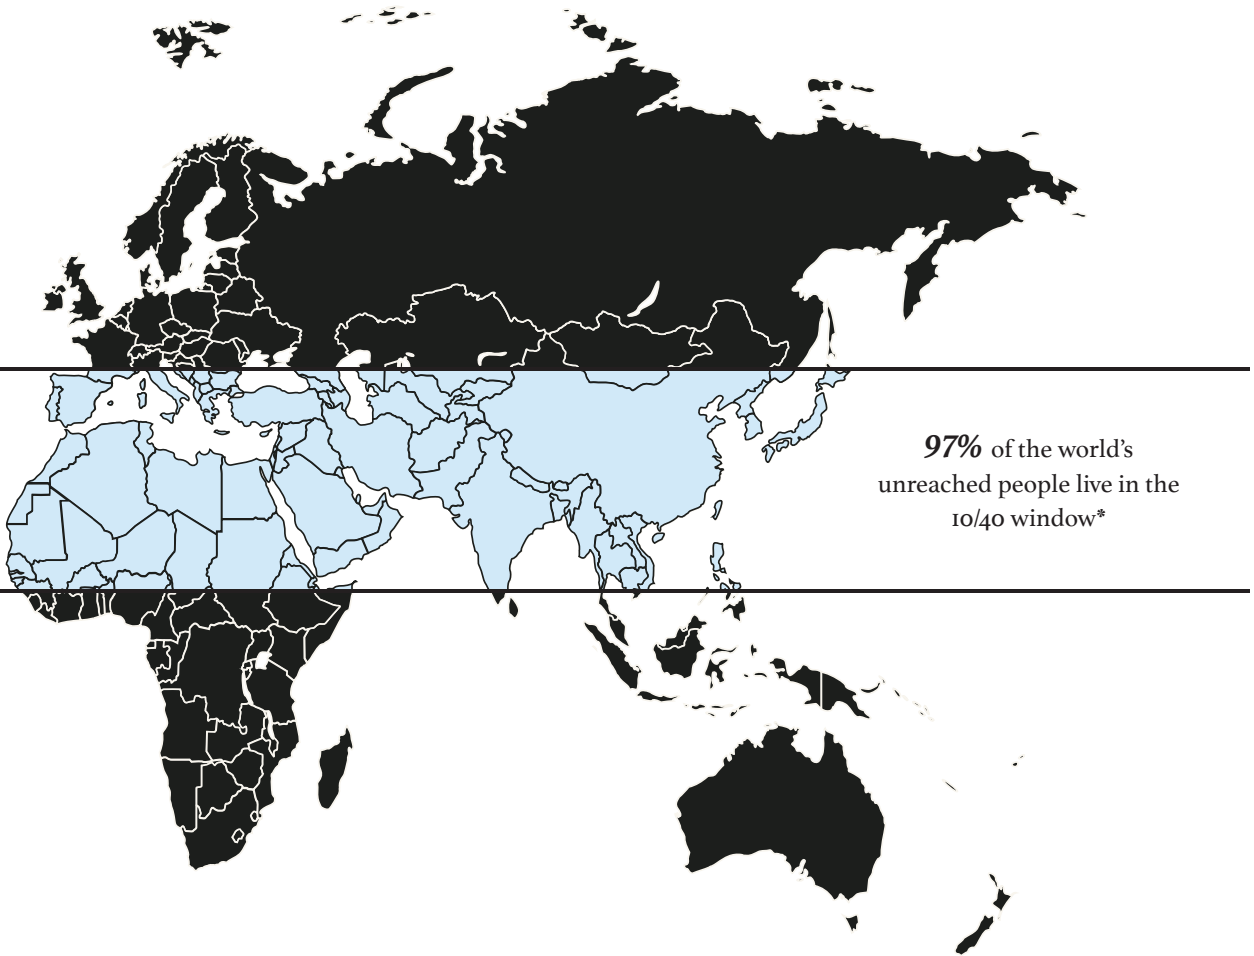

42% of the world has yet to hear the Good News of Jesus

Of the **7,000 languages** spoken around the world, about **125 million people** do not have a single verse of Scripture translated into their language

10/40 WINDOW

degrees latitude from West Africa to East Asia

The unequal distribution of the gospel of Jesus Christ is the greatest injustice on earth today. So much good work is being done, and we believe the best days to reach our world are still ahead of us.

The Great Commission

The image shows a vast expanse of residential buildings with various roof colors, including brown, orange, and grey. The houses are closely packed together, and the overall scene is characterized by a high density of structures. In the background, there are some taller buildings and what appear to be communication towers. The lighting suggests it might be late afternoon or early morning, with a slightly hazy atmosphere. The text "sion is not optional" is overlaid in a white, cursive font across the middle of the image.

Church Expansion

We are committed to seeing the local church thrive and grow so that more people can encounter Jesus. Through Kingdom Builders, we invest in expanding and maintaining our campuses, planting new churches, and ministering to those who are hurting right in our own communities. Every campus we launch, every church we plant, and every door we open creates a place where people can find hope, healing, and a spiritual family to belong to.

Because of your generosity, we have been able to bring the Gospel to communities that previously had no church to call home. Campus launches become possible because of your giving, and the ongoing support you provide helps sustain the ministries that happen every day within our current campuses. From keeping the lights on and meeting practical needs to making steady improvements that enhance ministry effectiveness, every gift you give is making a difference.

Our vision has never been about building for comfort, recognition, or status. It is about creating space for those who are not yet here—for the families searching for hope, the young people longing for direction, and the brokenhearted who need the love of a Heavenly Father. Every new campus, every expansion, and every improvement exists so more people can experience the life-changing presence of Jesus.

Your faithfulness is paving the way for future generations to know Him. Together, we are building the Church—not just for today, but for tomorrow.

WE LOVE OUR CHURCH!

HOW DO I MAKE A COMMITMENT TO BEING A KINGDOM BUILDER?

PLAN

First, *make a plan to give*. When you have plans and are diligent, it leads to plenty (Proverbs 21:5). God is excited when you have a plan! Whatever the amount is—have the plan in place, work the plan and be obedient to it. Start with what God has already blessed you with.

VISION

Next, *ask God to give you a vision for what He could do through you with His help*. This is beyond what you can do with your natural income. This requires you to take a step of faith. Additionally, Habakkuk 2:2 tells us to write that vision down and pray about it, so do that! God will supply all your needs according to His riches in Christ Jesus (Philippians 4:19). Stepping out in faith pleases God. When you look at what He has in His hands, it goes to another level!

DREAM

Lastly, *what would be a dream amount you could give?* Hold on to this dream. This number is only between you and God. Watch as each step of faith you take, God moves you closer to that dream. God can do exceedingly abundantly more than all we can ask for or imagine (Ephesians 3:20). Then celebrate when God fulfills it!

Now more than ever, make a plan to give, ask God for a vision in your generosity and hold on to the dream of what God will do as you step out in faith!

*“The question isn’t can we trust God?
The question is, can God trust us?”*

John Easter

AGWM Executive Director

Sunday, November 16th

AGWM Executive Director, John L. Easter's vision is to see AGWM's 2,700 global workers serving in 155 countries joined by the next generation of laborers, and new fields opened for missionary service. His heart is that the sons and daughters of our local churches may discern and respond to God's call to cross-cultural missions and plant the church among the unreached.

As a pastor, missionary, and educator, Dr. Easter is passionate about mobilizing the next generation for frontier missions. Serving in Africa for 22 years, he trained church planters and missionaries to carry the Gospel across the continent. His cross-generational focus extends intimately to his family. John and Cheryl are deeply devoted to their children: Kevin, John-John, and his wife, Calissa; and Mitchell, his wife, Alyssa, and their four children.

As AGWM's executive director, Dr. Easter believes fervent intercession and consistent discipleship are the keys to raising a new generation of laborers. The local church must take up its calling to nurture, disciple, and send out its sons and daughters to proclaim the Good News.
