

Celebrating Children at Good Shepherd Catholic Church

“Jesus said, ‘Let the little children come to me and do not hinder them, for the Kingdom of God belongs to such as these.’” -Mark 10:14-15

Messages for parents:

- Sit anywhere that you would like: the front, the back, in church, in the Narthex. You choose where your family feels most comfortable. We don't mind wiggles and noise in church but if you feel better in the Narthex behind that glass, you can sit there.
- We have Kids' Mass Kits in the Narthex and by the side exit. Feel free to take a kit, let your child read, color or play with what is inside. Just return them at the end of Mass.
- We have Listen to the Lord (children's Liturgy of the Word) during most Masses. When the kids are dismissed before the first reading, feel free to send your children. All are welcome 3K-5th grade.
- We have a Kid's Corner in the Narthex on the wall. Check it out. There might be something for your kids to do, take or see this week.
- If your kids have a bad day, please don't worry. Keep bringing them to Mass. We truly love having them here.
