

# WELCOME TO KEYSTONE KIDS!

## HOW WE DO THINGS EACH SUNDAY

- Kids are grouped together by age: 0-35mos, age 3-Pre K, K-1st, 2-3rd and 4-5th.
- Check-in starts 15mins prior to the service and *closes 15mins after it begins.*
- All kids must be checked in and be wearing a name tag that displays their security number.
- You must have your security tag to pick up your child after the service. If you lose your tag, we will verify via driver's license.
- Your child's security number will flash in the lower corner of the screen during the service if your child needs to be picked up early.
- In order to maintain a secure environment, kids must be in the classroom that corresponds with their age group. *Kids may not move up or down with siblings or friends.*
