Dear Lord, Thank You Jesus for what you have graciously done for us. Forgive us, Lord, for forgetting the mercy and love you willingly give us. We are so caught up with life at times, we don't stop and pay attention to where You are in our lives. You are around us in every circumstance, in the big and small things. May we remember what You have done for us; the greatest event of love in history. Forgive us for being selfish, for wanting our ways, when You have gone out of Your way for us, countless times. We love You Lord and we thank You. Amen.

(Confirmation Class of 2026)*

**I believe in God as my creator, The Holy Spirit as my guide and Jesus Christ and the example He set for us. Who rules as one in heaven and shall come to judge us on a day we do not know. I believe our sins are forgiven every day because Jesus, God's only Son, died for us on the cross. Jesus taught us to love one another, forgive others, and show kindness and compassion. I believe His teachings show us how to live our lives. Faith means trusting that God sees you and knows what you're going through. God keeps His promises and hard or lonely times don't last forever. Even when life feels confusing or unfair, God made me the way I am for a reason.**
