Dear Church Family:

One of our most sacred times of worship is the celebration of the Lord's Supper. We realize that when we serve the Lord's Supper, the small cups contained in the trays can be difficult for some of our members to manage due to dexterity or mobility issues. Our deacons would like to begin offering alternative cups that are a bit larger and easier to handle for those who might prefer them.

Our plan is to prepare a supply of these alternate cups ahead of time and to place them in "kits" that also contain a piece of the bread in the Welcome Center on the days we celebrate the Lord's Supper. Those who would like to use them can simply pick up a kit on their way into the sanctuary.

If you would prefer to use these alternate cups, please complete the form below. This will help us to know if this plan is something that can benefit our members and it will ensure that we prepare enough of these alternate communion kits in preparation for the Lord's Supper.

Thank you for your help and for your faithful participation in the life of our church.
