A LEGACY HILLS FAMILY RESOURCE

Welcome to Legacy Kids

We're so glad your family is here!

HELLO THERE

Welcome, Friend!

On behalf of our whole team, thank you for trusting us with the most important people in your life. We don't take that lightly, and we're so glad you're here.

Legacy Kids is at the heart of our church. Our vision is simple: to see every child **loved, valued, and raised up as a disciple of Jesus**. Whether this is your first Sunday or your fiftieth, your family belongs here.

Our hope for your child

Deeply loved

To know without a doubt that they are loved by God.

Rooted in truth

To learn the Bible is true, and that it's for them.

Safe & joyful

To experience church as a safe, fun, happy place.

Growing in faith

To take real next steps, with your family leading the way.

"Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

MATTHEW 19:14

What We're About

Everything we do in Legacy Kids is shaped by a few simple commitments: we want your child to encounter God personally, to have fun, and to be part of a family of faith.

We Love Jesus

We Love People

We are Servants

We are Joyful

We partner with parents

You are the most important spiritual influence in your child's life. Our role isn't to replace what happens at home, it's to support it. We get about an hour a week; you have all the everyday moments. That's why we've created a few simple resources to help your family grow together (more on those later!).

What to Expect on Sunday

10:00 AM

Sundays at our Legacy Campus in Lone Tree.

Service runs about 75 minutes. Kids ministry is for birth through 5th grade.

When you arrive

- 1 Follow the signs to the **2nd floor** (elevator available). A Kids Team member will greet you and walk you to the right room.
- 2 First-timers: we'll make a quick profile for each child, or **pre-register** ahead to breeze through check-in.
- 3 You'll each get a name tag with a **matching security code**, keep yours for pick-up.

A typical hour

A warm welcome, worship, an age-appropriate Bible lesson, small-group time, and a fun activity. Your child leaves having heard something true about God, and having had a blast.

Our environments

Birth–23 months

Little Legacies

A nurturing, loving space where our youngest hearts feel safe and cared for.

Age 2 – Kindergarten

Legends

Bible stories, songs, and play that lay a joyful foundation of faith.

Grades 1st – 5th

Champions

Engaging lessons and worship that help kids own and live out their faith.

Check-In & Keeping Kids Safe

A safe environment is the foundation everything else is built on. Here's how we protect your family.

Secure check-in & check-out

- Your child is released only to the adult with the **matching security tag**.
- For safety, siblings can't pick up younger children, a parent or guardian comes to the room.
- If your child needs you, we'll **text you** using the number tied to your code. You're never far away.

Our team

- Every volunteer completes a **background check** and Ministry Safe training.
- We follow a **two-adult rule**, a child is never alone with one volunteer.
- Only trained, background-checked team are in the rooms during service. Want to join the team? We'd love to talk!

Health, Allergies & Wellness

We are a peanut-free ministry, please leave peanut products at home.

Please keep your child home if they have...

- A fever of 100°F or higher
- Vomiting or diarrhea within 24 hours
- A constant cough, sore throat, or colored runny nose
- An unexplained rash, pink eye, or any contagious illness

Quick check-in checklist

- ✓ Label bag, bottles & personal items
- ✓ Tell us about allergies or special instructions
- ✓ Keep your security tag for pick-up

Medication

Our team can't administer medication, with one exception: an EpiPen® for a life-threatening reaction, when a completed Medical Release Form is in your child's bag. Please hand any medication to a team member at check-in.

Partnering With You at Home

The faith that lasts is the faith that's lived out at home, and we want to make that easier, not heavier.

This welcome booklet is part of a small set of family resources. Each one is short, simple, and built for real life:

Growing Faith at Home

Everyday ways to talk with your kids about Jesus.

Continuing the Conversation

Better questions for the drive home.

Praying Together

Simple ways to pray as a family.

Walking Through Baptism

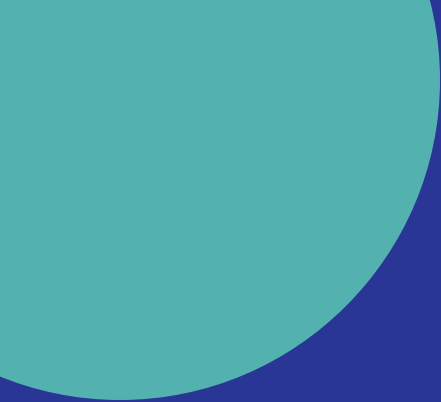

Helping your child take a next step of faith.

"Impress them on your children. Talk about them when you sit at home and when you walk along the road."

DEUTERONOMY 6:7

For older kids: the Amazing Parents app

Champions families (grades 1–5) can use the optional Amazing Parents app to see what their child is learning and keep the conversation going all week. Just search **"Amazing Parents"** in the App Store to download it free.

We'd Love to Hear From You
