

ROMANS

THE FAITHFULNESS OF GOD

Read **Romans 12:1-21** together.

Review

In Romans 12, Paul explains the results of everything that came before. We are called as Christians to be transformed by the Spirit within us to join in what God is doing.

Discussion Questions

1. What would it look like to be a “living sacrifice” in our time and culture today?
2. What gifts do you believe you have that have been given to you by God? How are those gifts use for the good of the church, or how can they be?
3. In verse 14, Paul says to “bless those who persecute you”, seemingly quoting Jesus’ words from the Sermon on the Mount. Why was this so important to the early church? In what ways is it still important?
4. How can we overcome evil with good?
