Helping Disciples Become Disciplers

Church History & Theology Discussion Questions

The Early Church's Biggest Challenges (and Why They Matter Today).

1. What are some problems or challenges you see in Christianity today that you think the early church also faced?
2. Why do you think acknowledging Jesus as God was so controversial then? Why is it still controversial today? A. How can we defend Christ's deity?
3. Where do we see similar "spiritual elitism" or denial of physical reality in our world today?
4. Why is it hard for people today to accept that Jesus is the only way?
5. What are the ways people today still try to add requirements to salvation, instead of trusting Christ alone?
6. Which of these early challenges (hostility, false teaching, pluralism, legalism) feels most pressing to your faith right now? Why?
