Julian of Norwich

Getting to Know You

1. What is something that has brought you joy in the last week?
2. What's one thing that you love to do?

Discussion Questions

1. When she was close to death, Julian of Norwich had a powerful encounter with God through a vision of Christ on the cross. This encounter heavily influenced her writings for the rest of her life. Have you ever had an encounter with God that has stuck with you?
2. How do you find comfort in the “bigger story” of God’s redemption that Karen describes?
3. Karen finds that Julian’s writings encourage her to see Jesus as our “brother and fellow sufferer” when things get hard. How do you tend to think about Jesus? What words would you use to describe him?
4. What are some practical ways that you remind yourself of God’s good will?
5. If you were to have coffee with Julian, what questions would you ask of her? What affirmations of her work and witness would you offer?
