

Vintage Small Groups Session 6 Soren Kierkegaard

Getting to Know You

1. Where did you have an “ah-ha” moment or moment of delight this past week?
2. In this season of your life, who do you look to as a mentor? What is one gift they have offered to you?

Discussion Questions

1. Like Karen, who says she often prays some of Kierkegaard prayers, are there regular prayers you pray in your life? If so, would you mind sharing one or two with your group?
2. When Kierkegaard says, “Don’t just *be* a Christian, but instead take your life to *become* a Christian,” what does this lead you to think about or to imagine?
3. Karen reminds us that Kierkegaard loved to take long walks, and that for him, that time of movement was central to his prayer life. Do you resonate with this? Other than sitting still or lying down, how else do you find yourself praying?
4. Where do you find hope and challenge in what you’ve learned about Soren Kierkegaard and his story, and where do you find intersections with your own?
5. If you were to have coffee with Kierkegaard, what would you ask him? What affirmations of his work and witness would you offer?
