Amplify Generosity

10 Creative Ways to Give in 2025

"Enlarge the place of your tent... do not hold back." – Isaiah 54:2

Generosity isn't just about writing a check—it's about expanding your heart, using your resources creatively, and being part of something bigger. Here's how you can AMPLIFY your giving and help Bridge City Church reach its 2025 goals of Influence, Income, and Impact.

1. Host a “Give Back” Dinner

Invite friends or neighbors over for a meal and share your heart for Bridge City Church. Encourage them to give toward a specific project (like the playground, outreach, or missions). Hospitality meets impact!

2. Birthday or Holiday Giving

Instead of gifts, ask friends and family to give to the church in your honor. Celebrate your life by helping build something eternal.

3. Tell Your Story

Use your platform—social media, blog, podcast, or casual conversation—to share how Bridge City Church has impacted your life. Then invite others to give toward that mission. Your story can stir someone else's generosity.

4. Employer Matching Gifts

Double your giving! Many companies match charitable contributions. Ask your employer if Bridge City Church qualifies.

5. Gift Card Donations

Got unused or partially used gift cards? Donate them! We use them for benevolence, outreach, or resourcing volunteers.

6. In-Kind Donations

Have a skill, service, or item the church can use? From photography to landscaping to construction—your talent can amplify ministry.

7. Sell for Impact

Sell something (bike, artwork, collectibles, etc.) and donate the proceeds to the church or a specific initiative. Every item has potential.

8. Creative Fundraising

Host a bake sale, chili cook-off, game night, or mini-market. Use your gifts and passions to fund kingdom work!

9. Stock & Asset Giving

Donate stocks, real estate, or other assets. It's a strategic way to give that can have tax benefits and significant kingdom impact.

10. Give Time, Skills, & Presence

Your time and presence matter. Whether it's mentoring students, helping with setup, or offering professional skills—your investment of self is generosity in action.

Let's AMPLIFY Together

We're not just giving—we're building something bigger. Let's stretch, give creatively, and amplify what God can do through us.
