

Worship Resident (Part-Time – 20 hrs/week)

Life Community Church | Roseville, CA

Reports to: Worship Pastor

Role Overview

The Worship Resident is a **part-time, developmental role** designed for a **college-aged or early-career individual** who desires to grow in worship ministry while serving faithfully in a local church. This residency focuses primarily on **youth worship leadership**, with additional involvement in **Sunday worship services** and limited production support.

This role is ideal for someone who is **hungry to grow, humble to learn, and excited to invest in students** while being mentored in a healthy church environment.

Church Culture

Life Community Church is made up largely of **young families and students** learning to follow Jesus in real life. Our culture values **authenticity over performance**, presence over polish, and relationships over platforms. Worship is about helping people encounter God and take meaningful next steps—not putting on a show.
