

In God's Big Story

Even after God provides for His people in the wilderness, they complain and are struck by venomous snakes. To save the people, God instructs Moses to put a bronze snake on a pole; anyone who looks at the snake will live.

Friend Stories

In God's big story, we saw how God saved the people He loved, despite their complaints and sin. Only God has the power to save, and through His Son, Jesus, He made a way for us to be saved.

Sit down with your kids and talk about friends or family members God has saved. Maybe God has helped them through a difficult time, like an accident, or God has saved them from their sin, and their life shows the work of Jesus to others.

Ask one or two people whether they would be willing to share the story of how God saved them with your kids via video call. This call has the potential to increase the faith of your kids as they listen to stories of God's faithfulness to the people they look up to and love. Consider sharing your God-saving story with your kids. Kids love to hear stories about their parents' lives!

To the Rescue!

Great
for
Younger Kids!

Every kid loves superheroes! Tell your family you're going to play a game called "To the Rescue!" Have your family members go to their rooms and dress up as superheroes. Some ideas for dressing up may be tying bright material or a long-sleeve shirt around your shoulders as a cape. Or consider making a superhero mask with construction paper and ribbon. Let kids use their imaginations and surprise the family with their superhero costumes. Then play the game "To the Rescue!" Each person takes a turn being the rescue superhero while the others put themselves in a place to be saved, such as in a tree, under the bed, or on the floor. The people who need to be saved yell for help. The rescue superhero says, "I'll save you!" and comes to the rescue.

After the game, discuss:

- **Why does God save us?**
- **Is God always faithful, no matter what? Why?**
- **Does God have the power to do anything? What does He have the power to do?**
