# GENERAL INFORMATION ABOUT ZONA CAMP

---

## Total Cost

Total camp cost is \$399 per person (students and leaders). The Early Bird Rate of \$349 will be available until April 15th

## Length of Camp

Camp begins with dinner on Monday and concludes with breakfast Friday.

Check-in will take place on Monday from 2pm-4pm.

## Leaders

**Leaders must be at least 21 years of age. The church must bring at least one leader per eight students.** The church is responsible for selecting responsible and spiritually mature leaders. Leaders will be responsible for leading small groups, nightly church devotions, participating in recreation and worship activities, assisting their youth in matters of discipline, dress, first aid, curfew, and spiritual matters. Leaders must pass a background check through the AZMN every 3 years. Each leader must also complete an online Child Abuse Awareness training to be completed by May 31st, 2026 (must be completed every other year). Zona Camp also recommends that the church perform a social media check on all volunteers to ensure the leader is qualified for work with youth. Any leader who will be driving students for Mission Life is to maintain a clean driving record which will be verified by the AZMN.

## Insurance, First Aid, and Health Office

Churches are to provide proof of insurance listing the Arizona Mission Network as additional insured. Each church is to bring a first aid kit including items specified on page 3 of this document and handle any non-emergency health issues within their group including but not limited to bandages, over the counter medications, etc. In the case of emergency where 9-1-1 needs to be called, please contact CBU (number provided on your name badge) who will direct emergency services to the correct location on campus upon arrival.

## Transportation

All churches must have transportation, or arrangements for transportation on campus to make medical trips if necessary. Bus drivers may be housed on campus at a reduced rate if communicated with Jessica by April 15. Bus drivers will be expected to complete the same safety policies as leaders, so please send Jessica their contact info as soon as they have been assigned. You will need to communicate clearly with the bus company that bedding, and toiletries are needed for housing and that CBU is an alcohol and smoke free campus. They must connect with the camp office upon arrival to be given parking instructions which will be dictated by CBU. If communicated in advance, bedding can be rented for a fee. It is the church's responsibility to work with parents to provide transportation home for students who must leave early due to illness or disciplinary issues. Churches sending students to Mission Experience **MUST** provide transportation.

## Zona Safety Team

The Zona Safety Team exists to help create a fun, safe, and distraction-free environment where students can fully experience camp. This team is an additional resource for churches, working alongside youth pastors, Zona staff, CBU Safety Services, and when needed, the Riverside Police Department to ensure that every student is cared for throughout the week. While the full policies and procedures are still being finalized with CBU and our insurance partners, churches should know that Zona is strengthening its safety structure this year and that the Safety Team is an important part of that effort. We ask all churches to follow the Zona Handbook, take safety expectations seriously, and actively enforce camp rules among their students. The Zona Safety Team, in partnership with the Zona Administrative Team, serves as the agreed-upon authority for safety-related decisions during camp, providing support without replacing the vital leadership of each church.

## Health Form and Liability Waiver

Each student and leader must fill out all forms as a part of the registration process. It is **MANDATORY** that these forms be signed and a copy of the Health Form must be kept by the church in case of emergency. You can contact Jessica to download copies of your students' health forms from the registration system. No student or leader will be permitted to stay at camp without completed Health forms and Liability Waiver forms. **For security reasons, youth leaders must digitally submit a clear, "passport style" photograph of each student they brought with them.**

# GENERAL INFO ABOUT ZONA CAMP CONT.

---

## Contagious Illnesses

No student or adult should come to camp if they have any contagious illness. Zona Camp will follow the direction of the state of California and California Baptist University should there be any cause for concern regarding contagious illnesses.

## Students with Special Needs

Zona Camp is not equipped to provide one on one care for campers. If you have a student with special needs, the family and the church need to work together to determine if the camper's needs can be adequately met at Zona Camp.

## Dietary Needs

The CBU dining hall provides plenty of options at every meal, and the staff can provide a gluten-free option upon request. For additional questions and concerns, please contact Jessica.

## Worship Times

Zona Camp worship times are dynamic; utilizing music, drama, prayer, and visual effects to further demonstrate the daily biblical themes of camp. With a live band, these worship times will be loud and include varied lighting patterns. Anyone with sensory issues may wish to bring ear plugs or other resources for their comfort. If individuals with sensory issues need a separate space to participate in worship, chairs will be made available in the lobby.

## Rooming Assignments

When rooming assignments are made, it is the goal of Zona Camp that no leader be placed in the same bedroom as a student. Zona Camp has an open-door policy, **no leader should ever be alone with a student**. It is recommended that churches discuss their expectations regarding rooming conduct and requirements ahead of time with procedures in place for discipline should that become necessary. Reach out to the Zona Team if you need help making a plan.

## Check Out

All Zona Camp participants must be off campus by 10am on Friday, July 3rd. More details will be provided regarding new check-out procedures as we get closer to camp. In order to be good guests on the CBU campus, we ask that your church group do the following before leaving.

- Make sure all trash is in room trash cans or trash bags.
- Big trash items may be placed in outdoor living area trash cans/dumpsters.
- Gather all your belongings including belongings that may be in drawers and refrigerators. Double check.
- Close all windows, and doors when leaving the room.

# EXPERIENCE CHOICES

---

Zona Camp has four Experiences for students to choose from. Experience schedule will be from after Morning Celebration until mid-afternoon. Below are the Experiences to choose from.

## **The Core Experience**

The Core Experience is the heart of Zona Camp — a foundational, Christ-centered camp experience designed to help students not only encounter Jesus but build their faith for a lifetime. Over the course of camp, students dive into engaging Bible study, practical breakout sessions, and powerful worship, all intentionally crafted to strengthen their spiritual roots and equip them to live out their faith daily. Zona Core combines small-group connection, dynamic teaching, and fun activities so campers grow in community, deepen their relationship with God, and discover the essential truths that shape who they are in Christ. This core experience anchors the foundation of every Zona journey.

## **Mission Experience**

Mission Experience is an off-campus mission opportunity for students who want a hands-on way to serve others. Students will have multiple opportunities to partner with outside organizations in Riverside to support and contribute to the ongoing work of these partner groups. An adult leader with sufficient transportation (proof of vehicle insurance required) for every student from their church who signs up for this experience is required, and a Mission Experience form must be completed for anyone participating. Drivers for Mission Experience must maintain a clean driving record, which will be verified by the AZMN.

## **Leadership Experience**

The Leadership Experience offers three separate, three-day classes designed to help middle and high school students grow as leaders in their local church. Students will choose one class during registration; 101, 201, or 301. Each class focuses on a different stage of leadership development from understanding how you are wired, to the role you play in your local church, to living and leading others with purpose. The Leadership Experience is designed to follow a clear progression, with students taking the classes in order as they grow. Each morning at camp, students will gather in their Leadership Experience classroom for teaching, guided discussion, and classroom-based activity. In the afternoons, students have the opportunity to choose from a variety of breakout sessions to explore areas of interest and strengthen their leadership growth even further.
