Dear Church Family,

We are so excited to share this custom Mountain View journal with you! Our hope is that it becomes more than just a notebook, but a tool to help you soak in God's Word, listen for His voice, and hold onto what He is teaching you.

Psalm 119:11 encourages us to "hide God's Word in our hearts." And a few verses later, the Psalmist declares:

"I will study your commandments
and reflect on your ways.
I will delight in your decrees
and not forget your word."
(Psalm 119:15-16)

On Sundays, as we gather, God speaks through His Word. But too often what we hear can slip away by Monday. In Habakkuk 2:2, God told the prophet to "Write down the revelation and make it plain on tablets so that a herald can run with it…" Putting pen to paper helps remember, reflect, and respond to what God is saying, so that His truth keeps shaping us long after the message ends. That's the heart behind these pages. That as you record what God is saying to you, it would move His Word from a passing thought to a lasting truth.

This journal isn't just for Sundays. We've intentionally added our Growth Bible Reading Plan (page 108) along with some room for you to use as you open Scripture during the week, as you pray, as you wrestle with questions, and as you celebrate God's faithfulness. Over time, you'll be able to look back and see a story unfold—not just of notes and reflections, but of God's steady work in your life.

So make these pages your own. Let them hold your prayers, your thoughts, your questions, maybe even your drawings… And may this simple tool help you stay rooted in Scripture, attentive to God's Spirit, and growing day-by-day in your love for Jesus.

INTRODUCING THE GROWTH BIBLE READING PLAN

This year, we're reading through the Bible together — Old and New Testaments side by side, in roughly the order the events actually happened. Rather than reading straight through from Genesis to Revelation, each day pairs a passage from the Old Testament with something from the New Testament, Psalms, or Proverbs, so you're tracing God's story chronologically while also staying rooted in the gospel and in worship all year long.

Most days include 3 chapters; some include 4. It's designed to be steady and sustainable — not a race to the finish, but a rhythm you can actually keep.

Each week, we'll also post a short video on our social media pages highlighting one part of that week's reading — a chance to dig a little deeper together, even on the weeks we can't unpack everything in person.

A FEW THINGS TO KEEP IN MIND AS YOU READ

1. **Choose a translation you can understand.** The NIV or NLT are great starting points if you're new to this.
2. **Pick a time and place that works for you, and try to stick with it** — consistency matters more than intensity.
3. **Read for context, not just content.** Ask what's happening around the passage, not just in it.
4. **Slow down.** The goal isn't to finish — it's to understand and live it out.
5. **Ask God to help you apply what you read.** A good place to start: is there a sin to avoid, a promise to claim, an example to follow, a command to obey, or som thing to know about God or people?

IF YOU MISS A DAY

Don't stress, and don't try to cram to catch up. Just pick back up where the rest of us are and keep going. This isn't about a perfect streak — it's about staying in the rhythm with your church family over the long haul.

WHY READ TOGETHER

We could each do this on our own. But there's something different about knowing the people around you are in the same story, the same week, the same chapters — it gives you people to process with, ask questions alongside, and be encouraged by when the reading is hard or the story is strange. Scripture was never meant to be read in isolation, and this is one small way we get to live that out as a church.
