REGISTRATION FAQ

VISIT SOTV.ORG/CYF
TO REGISTER!

Do I need an account to register?

No! If you've created an account in Realm before, you'll be prompted to login when you use the same email at registration.

I'm registering for someone else (grandchild/friend/etc.), what do I do?

Complete the registration as normal, providing parent/guardian contact information instead of your own when applicable.

Can I pay for camp later or have a family member pay for camp?

Yes! Visit or call the CYF Office (952-432-6385) for assistance.

Will my camper be with their friends?

We try our best to honor friend requests made at registration.

Sometimes this isn't possible when friends register for different weeks, don't register at all, or are in distant age groups. Small group leaders work hard to make sure every camper feels included and has the chance to form new friendships during camp.
