## A LIFESTYLE OF STEWARDSHIP

As we grow in faith and deepen our connection with God, something miraculous happens. We begin to sense God working through us. Stewardship is how we respond. It is faith in action through our choices, words, and our generosity.

Stewardship is more than financial giving; it is a way of life rooted in gratitude and purpose. It is how we live out our Godfulness each day. In fact, stewardship might be called a Christian lifestyle.

Our financial gifts play a vital role. Each year at SOTV, we are called to support God's work by contributing to the mission and ministries we share. Our gifts sustain worship, outreach, care, connection, programs for life-long learning, and the nurturing of leaders.

In the coming weeks, we are invited to prayerfully consider our financial commitment to God through SOTV. Your generosity helps make ministry possible.

Together, *Centered In Christ*, we gather, we connect, and we share.

Our giving sustains and grows our church ministries.

**Each of you should give what you have decided in your heart to give...for God loves a cheerful giver.**
