Song Lyrics

The Advent Song (Sung to the tune of Twinkle, Twinkle, Little Star (PKK))

Advent is a time to wait

tap top of wrist like your point to a watch

Not quite time to celebrate

1st finger up, wave left-right for "No"

Count the Candles one by one

Count 1...2...3...4... with fingers in front of you

Until Advent time is done

Use both hands to draw a circle in front of you

Day by day we work and play

stack fist on top of fist, back and forth

To prepare for Christmas Day!

give yourself a big hug

We Wish You A Merry Christmas (ALL)

Chorus

We wish you a Merry Christmas

*swoop right arm down in front of you with a
fist and punch up and to the left*

We wish you a Merry Christmas

*swoop left arm down in front of you with a
fist and punch up and to the right*

We wish you a Merry Christmas

*swoop right arm down in front of you with a
fist and punch up and to the left*

And a Happy New Year

*cross arms down and in front of body bringing
them up uncrossing near face*

Verse - hands locked in front with body swaying

Good tidings we bring

From SOTV

And a Happy New Year

Go Tell It On The Mountain (1-3)

Chorus

Go tell it on the mountain

Point out, cup hands in front of mouth

Over the hills and everywhere

Move hands in wave, point in different directions

Go tell it on the mountain

Point out, cup hands in front of mouth

That Jesus Christ is born

Swing hands (like rocking a baby)

Verse

While shepherds kept their watching

Hold hand on forehead like you are searching

O'er silent flocks by night

Hold finger in front of mouth (shhh symbol)

Behold throughout the heavens

Make an arc above your head

There shone a holy light

Use hands to make starbursts above your head
