

## Capital Campaign and Yearly Pledge

Dear Friends in Christ,

Since 1877, Basehor UMC has been rooted in God's love and faithful to His call. Through every season, God has carried this congregation forward. When fire destroyed our original sanctuary, we came together in faith and dedicated our current building in March 2003. That story of resilience and hope reminds us that we are always building on the past while reaching toward the future God prepares for us.

This fall we are combining our 2026 annual pledge campaign with a special capital campaign called Rooted and Reaching. Together, we will renew our church home through four important projects: new sanctuary and narthex flooring, an updated playground for our children, expanded storage for growing ministries, and a modern sign to help us reach our community with love and hope. These projects reflect both gratitude for our history and readiness for God's next chapter among us.

To make this vision possible, our goal is to raise \$100,000 through the Rooted and Reaching capital campaign. Each household is invited to prayerfully consider two commitments:

1. A pledge of regular giving for 2026.
2. A pledge, above and beyond, to support the Rooted and Reaching capital campaign.

Your generosity and faithfulness make ministry possible. Thank you for carefully considering your support as together we remain rooted in God's love and reach for the future with hope.

In Christ's love,

*Pastor Kyle*
