## Jesus is...

...the Main Thing...the reason for the season...the Savior of sinners...the Way, the Truth and the Life...and the Head of the Church.

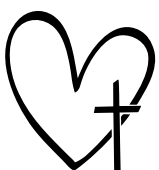

Jesus is my Lord, my Friend, my Peace and my God. To understand me, one has to understand Jesus. Not only is Jesus all the above but I believe He is all those things to me personally.

Jesus was the one who watched over me when I was in the depths of sin; He was the One who convicted me of my sin and brought me salvation; He provided me the wife I need and love; He was the One who called me to the Gospel ministry and the military; Jesus was the One who sent me to war and brought me back from war; and Jesus was the One who called me to Silver Creek, His Church, His body.

To understand me, you have to understand Jesus in me.

It's no different for you, His Church. Let's get into Jesus and have Jesus in us in 2026.

## Member Spotlight ...Meet Mick & Veronica Roy

We met in 1985 at that prestigious center of learning, TCJC, and were married on May 31, 1987—beginning a partnership that has flourished over the decades.

In 1992, we moved to the country, and Veronica told Mick she had found the church we would attend as a family. Through the support and encouragement of the saints at Silver Creek, our faith deepened. Veronica stepped in to lead the youth program, taking over from Nancy Davis (big shoes to fill!). By God's grace, the youth group thrived and flourished.

In 2002, we returned to Colorado to help care for Mick's aging parents—a true blessing. During that season, our granddaughters were born in 2005 and 2007, allowing us to be present and spend precious time with them.

After Mick's parents passed, we felt God calling us back to Texas. We returned to Fort Worth in 2018, and on our very first Sunday, we knew exactly where we belonged. Walking through the doors of Silver Creek Methodist Church felt like coming home. The Holy Spirit surrounded us with calm and peace, and it was a joy to see familiar faces and new ones alike.

We then sought a home that would accommodate not only us, but also Veronica's oldest sister, Florence. After much searching, we built a home just six minutes from our church—what a blessing.

Through every celebration and every heartbreak, including the tragic loss of our son, we know we are exactly where God intends us to be. God has revealed His love through the saints of this church. One of our most cherished Bible verses is John 1:5: *"The light shines in the darkness, and the darkness has not overcome it."* God shines that light through the people of this church, and we are forever grateful to call you our church family.

## Why do we observe Ash Wednesday?

Ash Wednesday marks the beginning of Lent, a season of repentance, humility, and renewed dependence on God as we prepare our hearts for Easter. On this day, Christians gather to worship, pray, and receive ashes as a visible reminder of our mortality—*“you are dust, and to dust you shall return”* (Genesis 3:19)—and of God’s gracious call to turn back to Him with repentant hearts (Joel 2:12–13). The ashes are about honest self-examination and trust in God’s mercy, grounding us again in the Gospel. We practice Ash Wednesday together because repentance and renewal are not meant to be solitary acts; Scripture calls God’s people to assemble for worship and repentance, declaring, *“Blow the trumpet in Zion; consecrate a fast; call a solemn assembly; gather the people”* (Joel 2:15–16), reminding us that we return to the Lord not only as individuals, but as a gathered community seeking His restoring grace.
