

ABC Preschool and Kindergarten Reading Rewards Program

We get it, it's hard to take the time to slow-down and read to your child, yet reading is such an important part of a child's development as it has so many benefits to both children and adults. Make reading a part of your everyday routine. Reading for just 10-15 minutes a day will greatly benefit your child!

To help create incentive for your child to enjoy reading we have a reading rewards program at ABC Preschool and Kindergarten! Print off the current month's reading log, every time your child reads a book, or you read a book to your child color in one shape per a book read on your reading log. Once the reading log is complete turn it in to your child's teachers for a prize!

Happy Reading!
