### Message Summary

This message explores the tension of waiting on God through the story of Lazarus in John 11. It highlights how waiting seasons often bring discomfort, powerlessness, and uncertainty, causing people to question whether God is absent or late. Through Mary and Martha's pain, Jesus reveals that God is always working for a greater purpose, even when it cannot be seen. Jesus declares, "I am the resurrection and the life" (John 11:25), and demonstrates His power and compassion by raising Lazarus from the dead (John 11:43-45). This message reminds believers that waiting seasons are not wasted seasons and encourages people to trust God's will, timing, and process. Ultimately, the cross and resurrection of Christ reveal God's love and faithfulness, even in seasons of uncertainty and delay (Romans 5:6-8)

### QUESTIONS TO THINK ABOUT AND PRAY ABOUT

1. Where in your life does it feel like God is late, and what would it look like to trust Him there anyway?"
2. What would it mean practically for you to wait on God?
3. What are you focusing on? Do you just want out, or do you want what God is doing in you?
