### Message Summary

This message introduces the idea that everyone is “Made For More” and challenges us to discover our true purpose. While improving ourselves is important, real fulfilment comes from doing something that impacts others. We were designed by God with intention, and our purpose lies in combining significance, growth, and contribution. Ephesians 2:10 reminds us we are created for good works, not just to receive salvation but to live it out. Finding what we were made for brings meaning, energy, and joy. By stepping out, trying new things, and serving others, we can discover our purpose and make a lasting difference
