# What We Teach

## Lifeway®

Our mission at Lifeway Students is to design trustworthy experiences that fuel ministry. Using Bible Studies for Life, our student ministry uses Lifeway to help teach lessons that help teach students how to apply God's word to everyday life.

Hyfi roots the next generation's identity in Christ through 12 simple truths that teach them who they are in Him. Every session provides biblically sound content with a clear picture of Jesus and the gospel.

## THE BIGGEST STORY

The Biggest Story leads readers on an exciting journey through the Bible, from the garden of Eden to the return of Christ. This fun curriculum based on the book draws kids into Scripture and helps them grasp its overarching message of redemption.
